

CertainTeed
WeatherBoards™
Fiber Cement Siding

Top 10 reasons to choose CertainTeed

Exceptional Curb Appeal

1 CertainTeed Fiber Cement Siding offers a complete array of profiles, textures, decorative shapes and colors to match virtually any design style.

2 CertainTeed offers the widest selection of color choices.

- CertainTeed ColorMax® Finishing System offers 16 gorgeous designer colors for the look of painted wood with a 15-year limited warranty*
- Stained fiber cement in your choice of 6 shades provides the subtle elegance of stained wood without the worries and a 12-year limited warranty**
- CertainTeed WeatherBoards with FiberTect® Sealant/Primer not only gives you the flexibility to choose your own color, but offers the longest paint window in the industry - 24 months* versus only 6 months for competitive siding products

3 CertainTeed Fiber Cement Siding has the most authentic, consistent grains and textures due to our embossing methods.

Environmentally Friendly

4 Our proprietary patented formula contains 50% recycled material - fly ash, diverting nearly 100,000 tons from landfills each year and our manufacturing facilities recycle water used, saving more than 2 billion gallons a year.

Safety

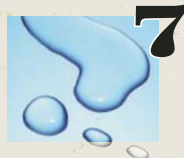

5 CertainTeed Fiber Cement is non-combustible and carries a Class A (1) Flame Spread Rating. Fiber cement does not catch on fire and it won't ignite.

Superior Durability

6 CertainTeed Fiber Cement won't rot and is impervious to wood boring insects.

7 FiberTect® Sealing System ensures better moisture resistance. It penetrates into the siding and forms a "double bond" between the board, FiberTect and paint creating a longer lasting, better looking finish.

8 CertainTeed Fiber Cement resists the negative effects of salt spray and UV rays and does not succumb to the stress of freeze-thaw cycles.

Peace of Mind

9 Confidence with a Solid Warranty. CertainTeed Fiber Cement Siding carries a 50-year limited transferable warranty. With our exclusive 2-year SureStart™ warranty protection, 100% of materials and labor are covered during the SureStart™ period*.

10 Backed with over 100 years of building products leadership, CertainTeed Corporation is one of the nation's largest and respected building products manufacturers.
